Dear Mr Robinson

**Re: Recognition of Services**

Please be advised that the Gibraltar Maritime Administration recognises the services regs4ships Ltd offers on the Internet and by the use of CD-ROM's. The CD's may be considered as an electronic equivalent to the publications they contain as meeting the requirements for the carriage of those publications that are required for a Gibraltar registered vessel.

I can also confirm that the Gibraltar Maritime Administration has no objection to you using the information available on our website, subject to the following conditions.

- 1/ regs4ships will be responsible for ensuring that the latest, most up-to-date information is used on your website and CD-ROM's.
- 2/ The forms that are available on the Gibraltar Maritime website, especially for the purpose of registration and STCW endorsement applications cannot be copied and anyone wishing to use these should be referred to our website or be instructed to contact this office.

Yours sincerely

  
Tony Nation  
Maritime Administrator
